

19th ERSCP - Copyright conditions

All papers presented at ERSCP 2019 will be published in the 19th ERSCP Proceedings - respectively a Book of Abstract and a Book of Full Papers, both electronic books with ISBN number - which will be available for conference attendants and ERSCP members. The Proceedings, as a whole, will be subject to Copyright © by the Institute for Sustainability Science and Technology of the Universitat Politècnica de Catalunya. Nonetheless, individual authors will maintain the right to self-archive and disseminate their own papers, and are also free to seek their publication in scientific journals. When sending the final paper, the author must agree that his/her contribution will be published in the ERSCP Proceedings according to specific conditions detailed above.
